Annual Financial Statements for 2024

Mrs. Doyle the SGB Chairperson explained the document and provided the details of the Auditing Firm used for the audit. There were no adverse findings, and an Unqualified Audit opinion was received.

Budget for 2026

Mr Garren Pillay presented the budget for 2026, which was adopted by a show of hands. The budget makes provision for a R 50,00 increase. School fees for 2026 will be R 9500,00 per year payable over 10 months. (R950 x10)

Several parents expressed their dismay with 66% of parents not contributing towards the payment of school fees. This means that fee paying parents are subsidising non-paying parents.

Outstanding GDE Allocation for Learning and Teaching Support Materials.

We still have an outstanding LTSM allocation of R 216 454.24 from the GDE. This is ring fenced for the procurement of exercise books and learner stationary. We trust that we will receive the money before the end of the year, to avoid an extra burden on our parents.

School Fee Discounts

10% Discount for fees paid in full by the end of December 2025.

8% Discount for fees paid in full by the end of February 2026.

Fee Collections

We urge all parents with outstanding accounts to contact Miss. Mzobe without delay. Parents that apply for a subsidy will not be handed over for debt collection. The School are always willing to assist parents with School fee Accounts.
